PHH Rechtsanwälte

We are one of Austria's leading law firms with **a team of about 40 experts and as such hold multiple international awards**. At PHH we have one overriding mission: to provide services of the highest quality that give the best-available outcome for our clients. To be among the leaders requires the synergies of our internationally educated and experienced teams from all across the legal landscape. And by blending those skills successfully with flexibility and personal support: we deliver more than simply optimal solutions; **on occasion, we make even the apparently impossible, possible**.

Our solutions presented are specifically tailored to each issue, but a key driver common to all is our commitment to effective communication. **We believe we must be clear and transparent**, avoiding unnecessary jargon or complexity. This way, we can ensure that our clients are able to make informed decisions on crucial business issues on the basis of advice we have offered while developing solutions for their problems.
